# On the Way to Seaside

*This section includes points of interest and side trips along the way to the resort. For the most direct route, see “Driving Directions” below.*

## From Seattle, WA

### Take I-5 South...

Tacoma is your first stop along the way. Take Exit 133 to I-705 North and absorb some culture in at the Museum of Glass—13,000 square feet of contemporary art made from glass. A most impressive piece of glass art is the Chihuly Bridge of Glass, a 500-foot pedestrian overpass linking the Museum to downtown Tacoma. Cross the bridge to the Washington State Historical Museum, and then reward yourself with a visit to Brown & Haley Almond Roca® Candy Factory, where you can browse the aisles of the warehouse outlet and find very sweet bargains.

Olympia, Washington state’s capital, is your next break. Visit the State Capital Museum by taking Exit 105, where Washington’s territorial, formative statehood and contemporary years are examined through permanent and rotating exhibits. Be sure to check out the Delbert McBride Ethnobotanical Garden, displaying Northwest flora that has been used by generations of Native Americans as food, tools and medicine. The State Capitol Campus offers free tours seven days a week beginning on the hour between 10:00 a.m. and 3:00 p.m.

Centralia, Washington is home to the

largest Factory Outlet shopping center in the state when you get to Centralia—it’s so big it’s on both sides of the freeway. Take Exit 82 and turn either direction.

Take Exit 39 onto Hwy 4 West. You’ll drive through Cathlamet, the 2nd oldest town in the state of Washington. Nestled in a gentle slope with an evergreen backdrop of forested hills, Cathlamet overlooks the Columbia River and has a long history as a place of trade. Lewis and Clark came here in 1805 to trade with the local Cathlamet and Wahkiakum Indian tribes, and in 1846 the town was established as a trading post.

### Continuing west on Hwy 4...

Your next stop is Astoria. This is the oldest American settlement west of the Rockies. Revisit Native American history at the Heritage Museum or learn more about boats—from old dugout canoes to sailing ships—at the Columbia River Maritime Museum. And kids can get their hands on lots of fun things at the Astoria Children’s Museum. You will pass the Astoria Bridge, an marvel of engineering that crosses the Columbia River. Built in 1926, it is 125 feet high and has 164 steps to the top.

## From Portland, OR

### Driving Hwy 26 West...

Go back in time with the Oregon Historical Society Museum. Absorb the rich history of the Oregon Trail and the people

who traveled it.

The Oregon Zoo is where you’ll find lions, giraffes and zebras, and you can even enjoy a trek through the African Rain Forest.

### Once you hit Hwy 101...

Cannon Beach is a beautiful spot to stop and have a picnic. You can explore Haystack Rock, the most photographed monolith and sea-life refuge on the Oregon coast. Go a little further and you’ll find Tillamook Head Lighthouse, located between Cannon Beach and Seaside on Tillamook rock; its light first shined in 1880. It is now a federal wildlife refuge and best viewed from Ecola State Park, which is two miles north of Cannon Beach on Highway 101.

Finally, Seaside Factory Outlet Center is on the corner of US-101 and 12th Ave. (across the street from Cannes Cinema Center). Enjoy sales tax-free outlet shopping just before you get to your resort.

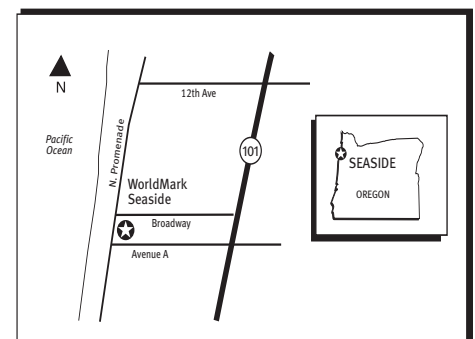

# Driving Directions
